Abstract: *This document is a template for the technical preparation of papers to be included in the Proceedings of Sym-Op-Is 2026 in the English language (M33, according to the Serbian scientific publication categorization). The abstract is an integral part of every paper and should briefly present the main ideas, results, and conclusions. The length of the abstract should not exceed 200 words. It is not allowed to cite references or refer to tables or illustrations within the abstract.*

Keywords: *Operational Research, Sym-Op-Is 2026, Kopaonik.*

ACKNOWLEDGMENT

This section of the paper should include a statement indicating whether the research has received financial support. If it has not, include the statement: 'This research received no external funding.' Additionally, you may express gratitude to individuals and organizations that have contributed to the research process.
